The Bible offers information and solutions that have stood the test of time. Drawing on the Bible's accounts, *Story of Hope* offers a glimpse behind history's curtain. It reveals the origin of evil, some of the ways God has dealt with evil in the past, and His plan for resolving it completely in the near future.

While emphasizing the importance of obedience, she wrote, "It is not possible to effect anything in our standing before God or in the gift of God to us through creature merit. . . . Justification is wholly of grace and not procured by any works that fallen man can do. . . . Any works that man can render to God will be far less than nothingness."

This volume portrays a God of grace who embraces every sinful, struggling soul who accepts His offer of righteousness by faith.
